REPORT

Name of the Program: A Seminar on Improving Communication skills.

Time: 11.00 am to 01.00 pm

Resource Person Detail: Mr. Aswini Kumar Sethi

Jeypore College of Pharmacy organized a seminar on Communication skills for B. Pharm second-year students by the resource person **Mr. Aswini Kumar Sethi from dt 22.03.2021**. The purpose of the seminar was to enhance the learner's communication skills through listening, speaking, reading, and writing skills. To develop leadership skills in the students. To develop professional awareness in the students. To develop skills in resume writing.

Around 45 nos. of the students from B. Pharm second Year have attended this informative program. Students gave a group presentation. In this program, an open feedback system was recorded from the students and revealed that the program was very informative, it helped them to improve their confidence in speaking English and able to deliver the topic fluently. Dr. Sangram Keshari Panda Principal of JCP expressed his gratitude for sharing his expertise with everyone.

REPORT

Name of the Program: Basic Communication for Tribal students

Time: 2.00 pm to 4.00 pm

Resource Person Detail: Mr. Binod Sikaka

Jeypore College of Pharmacy organized a seminar on Basic Communication for Tribal students for B. Pharm Third-year and M.Pharm students by the resource person **Mr. Binod Sikaka from dt 18.02.2021**. The purpose of the seminar was to enhance the learner's communication skills through listening, speaking, reading, and writing skills. Communication skills as indeed there is no shortcut to success in life. Strengthening and empowering our communication skills in English is a continuous and constant process. Communication is at the center of almost all the activities that take place in our daily lives. English language and teaching communication skills to tribal students is a challenge for many teachers in the country.

Around 55 nos. of the students from B. Pharm Third-year and M.Pharm students have attended this informative program. Students gave a group presentation. In this program, an open feedback system was recorded from the students and revealed that the program was very informative, it helped them to improve their confidence in speaking English and able to deliver the topic fluently. Name of the Program: How to keep the healthy brain

Time: 11.04.2019

Resource Person Detail: Mr. Nilamadhaba Sahoo

Jeypore College of Pharmacy organized a one-day seminar on How to keep a healthy brain for B. Pharm and M. Pharm students on date 11.04.2019 at Seminar Hall. Speaker Mr. Nilamadhaba Sahoo He said that the human brain is the command centre for the nervous system and enables thoughts, memory, movement, and emotions through a complex function that is the highest product of biological evolution. Maintaining a healthy brain during one's life is the uppermost goal in pursuing health and longevity. As the population ages, the burden of neurological disorders and challenges for the preservation of brain health increase. It is therefore vital to understand what brain health is and why it is important. More than 60 nos. of students attend this session.

Resource Person Detail: Dr. Sangram Keshari Panda

Jeypore College of Pharmacy organized a one-day seminar on How to improve your memory and learning skills for B. Pharm third-year students on date 18.01.2018 at Seminar Hall. Speaker Dr. Sangram Keshari Panda He said that the human brain is the command centre for the nervous system and enables thoughts, memory, movement, and emotions through a complex function that is the highest product of biological evolution. People who use their memories well are often seen as knowledgeable, smart, competent, and dependable. Whether it's remembering key statistics during a negotiation, quoting a precedent-setting action when making a decision, or impressing clients with your knowledge of their product lines, being able to remember can be a major advantage. More than 45 nos. of students attend this session.
