REPORT ON CAREER GUIDANCE PROGRAMME

A number of work prospects were made available to pupils thanks to the Career Guidance program, which also assisted students in preparing for relevant vocations. In order to inform students about their educational and career alternatives, this type of program was organized. Workshops and training sessions on career orientation, further education options, self-employment, and entrepreneurship management were done. Students received career counseling from seasoned resources.

Career guidance program:

On October 25, 2021, the Jeypore College of Pharmacy hosted a career guidance program in collaboration with Research Terminal. The expert was Dr. Surendra Pandey, a pharmacovigilance scientist. He discussed the significance of explaining the pupils' many employment alternatives after graduation.

REPORT ON CARRIER COUNSELLING

One day Career counselling session was organized by Jeypore College of Pharmacy, On 12 Dec. 2019 B. Pharm IV-year students to make them aware of various opportunities and trends in the field of Pharmacy after graduation. The Resource persons for the session were Dr. Bhabani Shankar Nayak (Associate Professor, IPT, Salepur) welcomed and gave a brief introduction of the Resource persons. Dr. Bhabani Shankar Nayak gave a brief introduction about the various opportunities and scope in the field of Pharmacy. He suggested varied ways that how to opt for a career in one's life depending on the capabilities and potential. He talked about how to focus on the chosen career and what our efforts to put in to make that dream true. He explained by giving examples of various successful people, and how they achieved the status in spite of having a lack of facilities and financial support.

REPORT ON CARRIER COUNSELING

On dt. 22.02.2017, Dr. Sangram Keshari Panda expressed that his love for the study of places and the relationship between the environment and people encouraged him to choose Pharmacy as his career and influenced him to enhance his skills in his professional career. Good study skills can increase confidence, competence, and self-esteem. He suggested students explore the methodology of carrying out data collection and research on Pharmacy. He has advised students to one to have better career opportunities such as Pharmacovigilance, Clinical Data Management, Medical Coding Etc.
