One day seminar on "How to keep healthy brain"

11<sup>th</sup> April 2019

Jeypore college of pharmacy organized a one-day seminar on How to keep healthy brain for B. Pharm and M. Pharm students on date 11.04.2019 at Seminar Hall. Speaker Mr. Nilamadhava Sahoo He said that the human brain is the command centre for the nervous system and enables thoughts, memory, movement, and emotions by a complex function that is the highest product of biological evolution. Maintaining a healthy brain during one's life is the uppermost goal in pursuing health and longevity. As the population ages, the burden of neurological disorders and challenges for the preservation of brain health increase. It is therefore vital to understand what brain health is and why it is important. More than 60 nos. of students attend this session.
