5th June 2017

Jeypore College of Pharmacy organised an awareness programme on the occasion of World Environment Day. Principal Dr Bhawani Sankar inaugurated the programme, in which all the students and faculty members participated wholeheartedly. Plantation was the first part of the programme. The students started planting their saplings in our medicinal garden. After this our principal sir gave a well-researched speech how our environment is today and why we should be aware to keep it in good condition. At the end he took a promise from all students that they never pollute environment and took at the step for its betterment. The program was concluded with a vote of thanks by Mrs. Mansi Khadanga.

World Aids Day
1st December 2017

The Jeypore College of Pharmacy celebrated World Aids Day on the 1st of December 2017 with the theme of "Right to health". The observation points out how inequalities are preventing progress in ending AIDS. We can use this opportunity to fight HIV and AIDS together. JCP programmed an awareness camp in the neighbourhood of Rondapalli Village to show their support for the them. They established point to point contact with the villagers of Rondapalli to educate them about HIV AIDS. And some of our staff delivered their thoughts and gave awareness to the people of Rondapalli.
