7.How do you rate for drinking water facilities. As you get cold drinking water in summer.

Regarding this matter we called a meeting and from the conversation we conclude that though we have aquaguard plain water is provided for drinking purpose. But students are eagerly waiting when cold water will facilitated in summer season. During summer season every person wants cold water as his / her satisfaction.

Action taken report :

To solve this problem our college purchased a water purification with refrigeration facility which is present in ground floor. We also planned for 2 more this same type of equipment. So that students will be happy.
