Management of the various types of Degradable and Non-Degradable waste

The institution is centralized, transparent and well-planned. Waste management system.

Solid waste Management:

Solid waste is generated from there the sources from the colleges Examination, library and canteen, office, & store.

The paper waste generated from Examination & library and office are disposed of through the paper waste vendor. The paper vendors sell it to the agencies which manage the process of recycling.

Metal Scrap generated is deposited to scrap dealers.

Degradable & Non-Degradable wastes are collected separately and deposited at the Sarapancha office of Rondapalli within 8-10 days of collection. Hazardous chemicals & radioactive waste management. No such waste is generated by this college.

Liquid waste:

The wastewater is deposited in our septic tanks.

Biomedical waste management:

The institution does not actually generate any bio-medical waste during its practical periods. However, there are two probable Sources identified which may generate bio-medical waste.

(1) Ladies' washrooms:

The used sanitary napkins were Immersed by the incinerator machine provided in Girl's common room.

(2) Practical:

Human Anatomy Physiology, Master degree ecology experiments generate some isolated body organs, cotton, gauge, needle & this is chected separately & handed over to the Sarapancha office.

E-Waste Management Policy

OBJECTIVE

To establish a responsible and environmentally friendly e-waste management system for Jeypore College of Pharmacy, ensuring the safe disposal of electronic waste.

SCOPE

This policy applies to all employees, students, and visitors of Jeypore college of Pharmacy, and covers all electronic devices and equipment used within the college premises.

DEFINITIONS

- E-waste: Electronic waste, including but not limited to computers, laptops, mobile phones, televisions, printers, and other electronic devices.
- Hazardous Waste: Electronic waste containing toxic materials such as lead, mercury, and cadmium.

POLICY STATEMENT

Jeypore college of Pharmacy is committed to reducing its environmental footprint and ensuring the responsible disposal of e-waste.

1. Implement a comprehensive e-waste management system.
2. Ensure the segregation, storage, and disposal of e-waste in accordance with applicable laws and regulations.
3. Promote awareness and education among employees, students, and visitors on the importance of e-waste management.
4. Collaborate with authorized e-waste recyclers and disposal facilities.

ROLES AND RESPONSIBILITIES

1. E-Waste Management Committee: Oversee the implementation of this policy and ensure compliance with applicable laws and regulations.
2. Employees and Students: Cooperate with the e-waste management system, segregate e-waste, and participate in awareness programs.
3. Facilities Management: Ensure the proper storage and disposal of e-waste.
