SOP For Slow and Advanced Learners.

Slow Learners

- Subject teacher's gives subject assignment and extra lectures are also arranged.
- Identify students who may struggle with grasping concepts at the same pace as their peers through continuous assessments, class participation, and observations.
- Remedial teachers use a variety of methods, study material, audio – video to helps students improves their skills.
- Positive reinforcement can help motivate students and build their confidence.
- Encouraging them to participate orally in the class and providing more chances for class room participation.

Advanced Learners

- Workshops and conferences are conducted for student's development every year.
- Student development programs are conducted through bridge courses from industries experts and companies.
- Our student's works on research papers and publication which will be posted on digital platform.
- Coaching are also given in skill development program like communicative English, personal developments etc.
- They are further motivated to appear for entrance examination as per their interest such as GPAT, NIPER etc...
